INDEPENDENT AUDITOR'S REPORT

To the Members of
WMSI Securities, LLC.

We have audited the accompanying statement of financial condition of WMSI Securities, LLC (the "Company") as of December 31, 2005. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of WMSI Securities, LLC as of December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO STATEMENT OF FINANCIAL CONDITION
December 31, 2005**

**1. ORGANIZATION
AND SIGNIFICANT
ACCOUNTING
POLICIES:**

WMSI Securities LLC (the "Company") is a limited liability company formed pursuant to the laws of the State of New Jersey. The Company is a registered broker-dealer with the Securities and Exchange Commission (the "SEC") and is a member of the National Association of Securities Dealers Inc. (the "NASD").

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates by management. Actual results may differ from those estimates.

No provision is made in the accompanying statement of financial condition for federal, state or local income taxes since such liabilities are the responsibility of the individual Members.

**2. REGULATORY
REQUIREMENTS:**

As a registered broker-dealer and member of the NASD, the Company is subject to the Uniform Net Capital Rule 15c3-1 of the Securities and Exchange Commission, which requires the maintenance of minimum net capital of 6-2/3% of aggregate indebtedness, as defined, or \$5,000, whichever is greater. At December 31, 2005, the Company had a net capital of \$25,238, which exceeded the minimum requirement by \$20,238.

GOLDSTEIN GOLUB KESSLER LLP

Certified Public Accountants and Consultants

GOLDSTEIN GOLUB KESSLER LLP

Certified Public Accountants and Consultants

INDEPENDENT AUDITOR'S SUPPLEMENTARY REPORT ON INTERNAL CONTROL

To the Members of
WMSI Securities, LLC

In planning and performing our audit of the financial statements and supplemental schedules of WMSI Securities, LLC (the "Company") for the period July 20, 2005 (date operations commenced) through December 31, 2005, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and the reserve required by rule 15c3-3(e). Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraphs. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraphs and to assess whether those practices and procedures can be expected to achieve the SEC's and the CFTC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

1185 Avenue of the Americas Suite 500 New York, NY 10036-2602

TEL 212 372 1800 FAX 212 372 1801 www.ggkllp.com

NEXIA INTERNATIONAL IS A WORLDWIDE NETWORK OF INDEPENDENT ACCOUNTING AND CONSULTING FIRMS

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the specific internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second and third paragraphs of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005 to meet the SEC's objectives.

This report recognizes that it is not practicable in an organization the size of WMSI Securities, LLC to achieve all the divisions of duties and cross-checks generally included in a system of internal control and that, alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies which rely on SEC rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
